

**APSA-80<sup>®</sup>**

***ALL PURPOSE SPRAY ADJUVANT CONCENTRATE***

Blank area with horizontal green and white stripes, likely a label or form.

- **CONCENTRATED — 80% Active Ingredients**
- **SPREADER — Provides more uniform spray deposit on plants — Improves coverage of herbicide, insecticide and fungicide sprays**
- **ACTIVATOR — Helps improve performance of post emergent herbicides, insecticides and fungicides, because of its thorough wetting action.**
- **FOR USE ON GROWING AND HARVESTED CROPS, TURF AND GOLF COURSES**
  - **HELPS IN DISPERSING POWDERS**
- **HELPS KEEP SPRAY EQUIPMENT CLEAN AND PREVENT CLOGGED NOZZLES**
  - **NON-CORROSIVE TO EQUIPMENT**
    - **NONIONIC SURFACTANT**
    - **BIODEGRADABLE**
    - **NOT FOR AQUATIC USE**

Dist. by Access Business Group International LLC, Ada, MI 49355 013469

60-3562

## **AMOUNTS TO USE:**

WITH HERBICIDES: 2.5 - 5 oz. per acre or 2.5 - 5 oz. per 10 - 40 gal. spray solution depending on herbicide use.

WITH INSECTICIDES AND FUNGICIDES: 2.5 - 5 oz. per 100 gal. spray solution

## **MIX DIRECTIONS FOR USE WITH HERBICIDES, INSECTICIDES AND FUNGICIDES:**

Before mixing, read all pesticide labels for specific mixing instructions and caution statements. A compatibility test is recommended when mixing chemicals for the first time.

1. Add the water to the spray tank and turn on the agitator or recirculation pump.
2. Add **APSA-80** to the tank and allow it to mix until dispersed thoroughly.
3. Add the herbicides, insecticides or fungicides that are to be used according to the manufacturer's instructions.

If frozen, return to room temperature and mix thoroughly.

## **NOT A PLANT FOOD PRODUCT**

**WARNING:** CAUSES SUBSTANTIAL BUT TEMPORARY EYE INJURY. HARMFUL IF SWALLOWED. IRRITATING WHEN INHALED. COMBUSTIBLE. Avoid contact with eyes. Wear goggles or face shield when handling. Avoid breathing vapor. Inhalation of product may cause respiratory irritation and/or central nervous system depression. Avoid prolonged contact with skin. Prolonged skin contact may result in adverse blood, kidney and liver effects. Combustible liquid. Do not expose to heat, sparks, or open flame. Use only in a well ventilated area. Keep container closed when not in use.

**STORAGE AND DISPOSAL:** Store in original container only. Do not contaminate water, food, or feed by storage or disposal. Do not reuse empty container. Triple rinse (or equivalent), then recycle or dispose of container in accordance with applicable state and local requirements.

## **KEEP OUT OF REACH OF CHILDREN**

**FIRST AID:** In case of eye contact, flush eyes thoroughly with flowing water for 15 minutes and get prompt medical attention. If skin contact occurs, wash thoroughly with soap and water. Remove and wash clothing before re-use. If swallowed, give water to drink and call a physician.
